NOTES

A set of By-laws following the wording overleaf (varied in accordance with the notes below, if applicable) will conform to the Model for the purposes of Rule 136, Book of Constitutions, so that the Grand Superintendent will be authorised to approve such By-laws on behalf of the First Grand Principal. In all other cases the By-laws must be submitted for the approval of the First Grand Principal. **No By-law can override an express provision of the Royal Arch Regulations.**

1. A Chapter may have only a single convocation place specified in its Charter and its By-laws.
2. The Election convocation must be the regular convocation immediately preceding the Installation convocation. A Chapter may, by *annual* resolution under Royal Arch Regulation 48, give authority to the Principals elect to appoint the rest of the Officers, with the exception of the Treasurer and (subject to paragraph 5 of Regulation 48) the Janitor. Such authority cannot be embodied as a requirement in its By-Law.
3. A Chapter may, by *annual* resolution, resolve that a subscribing member shall be Janitor without emolument, but this must not be embodied as a requirement in its By-laws.
4. Forming a Committee is a domestic matter and, while the principal officers are obviously necessary, the words 'Past Principals of' or 'Past Principals of and in' the Chapter may be omitted or their number restricted, e.g. two 'of' and one 'in'. Other members should only be included if the Chapter considers them essential. The most effective Committee is often small. The same applies to the quorum and it is advantageous if it is an odd number.
5. It is strongly recommended that the Audit Committee be small, say two or three members.
6. The audited accounts must be presented no later than the third convocation after the date to which the accounts are made up.
7. A fee, unlike a subscription, is a single 'one-off' payment and, again unlike a subscription, must be of an amount specified in the By-laws. Though a relatively nominal amount for a joining or re-joining fee may be appropriate, a nil amount will not be approved.
8. It is strongly recommended that the words contained within the square brackets, though optional, be incorporated into the By-laws, as that will obviate the need for regular increases in fees. See Regulation 68, Royal Arch Regulations. If used, the words must be included in their entirety.
9. The subscription due date should be the first day of a calendar month. If the subscription is exclusive of dining fees the reference to non-dining should be deleted from By-laws 6 and 7. The paragraph should then read:- 'The annual subscription due and payable in advance on 1st _____ and exclusive of dining fees, shall be of such amount as the Chapter shall from time to time decide by resolution after notice on the summons at the previous regular convocation. The fees for members and visitors at dinners shall be such amounts as the Chapter shall from time to time decide by resolution after notice on the summons at the previous regular convocation.' As an alternative to the last sentence above, and if appropriate, the wording may be amended to:- 'The fees for members and visitors for dining shall be 'at cost'. The members can be informed of the dining fee by a separate note included with the summons for each convocation.
10. While paragraph 5, Royal Arch Regulation 48, allows for the Scribe E's services to be equivalent to payment of subscription, this is an *option* for the Chapter to adopt.
11. The minimum time period for excluding a member from the Chapter for non-payment of subscription that will receive approval is three months. See Regulation 71, Royal Arch Regulations and Rules 145 and 181, Book of Constitutions. There will be no advantage to the Chapter if the period stated is one calendar year or more.
12. If By-law 6 is amended as shown in Note 9 above the last sentence of By-law 7 should refer to the 'current dining fee'.
13. Not more than three. See Regulation 66, Royal Arch Regulations.
14. It is suggested that the amount be high enough to be realistic, but not so high as to allow undue latitude. A recommended figure would be in the range of £100 to £200
15. The words in square brackets must be omitted in the case (but *only* in the case) of an unattached Chapter.
