Cir. No.: L002/2021.

16th February 2021.

To: The Secretary of Lodges in the District.

Sub.: Importance of Royal Arch Recruitment.

Further to the District initiative, the appointment of Royal Arch Representative needs careful consideration.

As a member of the Royal Arch the Representative shall need to know sufficient about the merits of joining the R.A. order and he should be able to work closely with the Lodge Mentor. Under normal instance the Master Mason should be approached at the same time he receives his Grand Lodge certificate with due explanation by a Past Master.

It is clearly of great importance that brethren, raised to the M M degree should be encouraged to look into the Royal Arch Degree for the completion of their Masonic journey.

The timing of joining the R.A. degree should be limited to each individuals appetite for Masonic advancement and personal circumstances.

You are required to read the circular in the open Lodge and immediately appoint a Royal Arch Representative if not done earlier and forward the name of the Brother to the District.

Fraternal regards,

Rummy P Khan, PGStB
District Grand Secretary
